Australian Licenced Aircraft Engineers Association

BEXLEY NSW 2207

Dear Mr Heywood,

**Re: Annual Return of information contained in records kept by organisation
(AR2006/116)**

I have received your statutory declaration dated 11 January 2006 providing information in accordance with subsection 233(1) of Schedule 1B of the *Workplace Relations Act 1996*. The documents were lodged in the Industrial Registry on 16 January 2006.

The documents lodged cover the required information for the **2006** Annual Returns of the organisation:

The documents have been filed.

Documents of Website

The Registry has created an electronic file for each registered organisation and branch which is accessible through the AIRC website. The documents lodged will be placed on the AIRC Website at <http://www.e-airc.gov.au/107n>. In light of the readier access which this will give to these documents, elected office bearers may wish to consider providing their work or other postal address (rather than their residential address) in the list of office bearers which is required to be lodged each year under RAO sections 233(1)(b) and (2).

Electronic Lodgement

I encourage you to take advantage of the electronic lodgement service provided by the Registry for future lodgements. You may register as a user and then lodge your documents via the Electronic Lodgement page of the AIRC website at www.airc.gov.au. Alternatively, you may send an email with the documents attached to riateam3@air.gov.au.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Dimitra Doukas'.
